

Many times it is difficult for clients to describe symptoms. This questionnaire is designed to facilitate that conversation. We hope you find it useful in your work.

Respond to each statement with one of the following:

NEVER	RARELY	SOMETIMES	OFTEN	ALWAYS
The client whines or throws fits before situations that involve being the center of attention.				
<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
The client demonstrates selective mutism in certain social situations, but speaks freely with immediate family.				
<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
The client displays visible signs of nervousness and anxiety when interacting with peers.				
<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
The client opts to stay close to a parent in social situations as opposed to interacting with peers that are present.				
<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
The client displays physical distress when separated from a parent for any length of time.				
<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
The client throws temper tantrums before performance situations, like a sports game, dance recital or play.				
<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
The client is highly dependent on parents, needing a parent to speak for him/her and preferring a parent to be constantly present.				
<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
The client ignores or walks away from other children when they approach to play or speak.				
<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
The client throws tantrums leading up to situations where there will be other children and adults outside of the immediate family.				
<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
The client prefers to stay home as opposed to attending a play date or birthday party.				
<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
